Why Bank of Utah?

Bank of Utah provides a wide range of corporate trust services to the aircraft registration and asset finance industries. Our organization combines the finest, most experienced team of trust service professionals in the industry with the service orientation and flexibility of Utah's largest state-chartered bank to provide the highest quality corporate trust services available anywhere.

Bank of Utah Corporate Trust Services offers the benefits of a team of proven, experienced in-house counsel and account management professionals who understand the importance of finding solutions and helping clients do business their way. We have assembled a team with over 75 years of combined experience in all aspects of corporate trust service.

In accordance with state and federal regulations, Bank of Utah has implemented reasonable know-your-customer requirements which impose no geographical restrictions on its ability to do business with potential customers from other nations or jurisdictions. As a result, Bank of Utah Corporate Trust provides services to clients in all parts of the world, including North, Central and South America; Western and Eastern Europe including the Russian Federation and a variety of former Soviet republics; Asia and the Pacific Rim including Japan, China, Singapore, Malaysia and others, as well as Middle Eastern and African nations.

We specialize in owner trust, indenture trust, security trust, voting trust, collateral agent, paying and fiscal agent, custodian and escrow agent services and have extensive experience acting as a fiduciary for both equity and debt. About 65% of our transaction experience has been aircraft related, but we also have experience in a variety of other assets, including rail, vessels, real estate, general equipment, project finance, life settlement and other large ticket structured finance. Bank of Utah is a MARAD approved maritime trustee. Our team has managed the trustee aspects of over 8,000 transactions during the last 20 years.

Please contact any of us to discuss our services. We look forward to working with you in the future.

TRUST SERVICES

BRETT R. KING

Mr. King has over 24 years of experience as trustee counsel and has served as Corporate Trust Counsel and Corporate Trust Department Manager for Bank of Utah. His expertise includes aircraft leasing, rail, shipping and a wide variety of domestic and cross-border operating and leveraged lease financings. Mr. King also has broad experience in Ex-Im Bank-structured financings and international transactions. During his career, Mr. King has reviewed and closed over 4,000 transactions.

Mr. King received his undergraduate degree from Utah State University and his J.D. from the University of Utah.

C. SCOTT NIELSEN

Mr. Nielsen has over 21 years of experience managing corporate trust sales and has assumed the same responsibility at Bank of Utah along with additional compliance roles. Mr. Nielsen has developed a broad understanding of trust services and issues during that time and has been a featured speaker at numerous conferences and educational seminars. Mr. Nielsen also has a background in treasury and credit analysis as well as account management.

Mr. Nielsen received his undergraduate degree from Utah State University and his MBA from the Kellogg Graduate School of Management at Northwestern University.

MICHAEL D. HOGGAN

Mr. Hoggan has over 12 years of experience as in-house corporate trust counsel, where he focused primarily on aircraft leasing with a particular emphasis on managing defaulted transactions and bankrupt airlines. Mr. Hoggan also has significant experience with life settlement transactions, Ex-Im Bank-structured financings

and project finance. Prior to his employment as in-house counsel, Mr. Hoggan was in private practice for four years focusing on commercial litigation.

Mr. Hoggan received his undergraduate degree from Brigham Young University and his J.D. from the University of Utah.

ARGE P. FEOTIS

Ms. Feotis has over 19 years of experience in the corporate trust industry. During her career, she has managed and administered a portfolio of over 800 accounts with assets including aircraft, rail equipment and real estate. She has experience with both large and small accounts; some of her largest accounts have had cash balances of over \$500 million. Ms. Feotis has also focused on servicing the life settlement industry and like-kind exchange transactions.

Ms. Feotis received her Bachelor of Arts degree from the University of Utah.

SHARLEE KUCH
